245 White Oak Road New Holland, PA 17557

Embryo Transfer School

WHAT: Precision Diagnostics will be offering a three day Embryo Transfer School which will train individuals how to palpate recipient cows and properly handle and place frozen embryos into recipient cows.

WHEN: April 10-11-12, 2018. School starts promptly at 8:00AM each day and adjourns at approximately 4:00 PM.

WHERE: Lancaster County @ Meadow Vista Farm, 166 Risser Rd, Bainbridge, PA 17052

WHO: Any person interested in learning to place embryos into recipient cows who is already proficient at breeding cows.

COST: The fee for the course is \$800

HOW: To reserve your space please contact Doug Speicher at (717)443-4662 or df2speicher@aol.com and send a \$200 down payment to Precision Diagnostics at the address listed above.
